SPECIFICATION GUIDE

Offices. Perfectly Tailored.™

Height Adjustable Desking and Open Plan

Product Code: OSDRxdy-H3H3-SEW0
Length: 60", 72", 84"
Depths: 24", 30"
Thickness: 1"

- These height adjustable options have been fully integrated into our MultiStations OS panel system using custom designed brackets and hardware. The support being given by the panels allow for more leg space by subtracting the need for base feet.
- 5ft black cable management conduit included.
- Standard pricing with 1mm PVC trim.
- Panels must be a minimum of 50" high.
- Please see MultiStations OS Spec Guide for panel height, accessory and material options.
- MultiStations OS height adjustable option comes standard with 1" clearance on all sides from any adjacent surface for safety.

2 Stage Height Adjustable

The 2 stage height adjustable system comes standard with a two button control.

Top Sizes	60x24	60x30
	72x24	72x30
	84x24	84x30
