Three H Wins Prestigious Grands Prix du Design Award

FOR IMMEDIATE RELEASE

Toronto (December, 2011) - Three H, and its newest product line, Create Office Platform, has been awarded the prestigious Grands Prix du Design's Office Furniture Award.

The 5th Annual contest of design based in Montreal selected winners in several categories from among 287 projects from around the world. The award was bestowed upon Jean Bourassa of Kaboum Design - the industrial design firm that worked in partnership with Three H to develop the Create Office Platform product line.

Three H joins an illustrious group of winners, including projects for Barneys New York, Pfizer Canada head office and the new Symphony Hall of Montreal.
